Notes for Station Leaders

Parking is limited; please CARPOOL as much as possible.

Please make sure the patrols stick to the schedule.

Some adjustment should be made to the scoring to accommodate the Webelos - suggestions are on most scenarios.

Scout spirit should count as part of the score - how much is up to you.

Please read, or have the Patrol Leader read, the scenarios to each and every patrol that participates at your station. We ask this every year because committee members have put in a lot of work to tie everything to the theme your cooperation is appreciated!!!!!

Please be prepared for the weather; with proper attire, {No SNEAKERS}.

If it is cold; please watch for signs of frostbite.

All stations will close at 3:00 PM sharp. Please tally the scores and bring the summary score sheet and $(1^{st} - 3'd)$ to Hamilton Lodge as quickly as possible.

NO Pets!

2017 KLONDIKE DERBY

"Title"

Scenario

A short story of your station

<u>Objective</u>

The winning end result. Example: you will be timed on your mission or the first team to completely finish the challenge and in the shortest time, must pieces sawed in a 3-minute period, etc.

Procedure

How they will achieve their goal. Example: You must light the fire and burn the string completely through. You must find 3 compass points using these coordinates, etc.

Materials

Example: firewood, string to burn, or a compass course set up with 3 locations and coordinates, etc.

Note to Station Leader

Any notes to pass to your station assistants. Remember every sled must have the same experience every time for it to be fair in scoring

Scoring

Example: you will be scored by shortest time as a sled. The first sled to boil water in the shortest time, etc.
