Scouting for All Abilities

Narragansett Council's Scouting for All Abilities Committee aspires to offer the nation's foremost Scouting program for all individuals by:

- Raising the awareness of our Scouting Units for the need for inclusiveness of all youths with varying abilities
- Setting the stage for success by providing support and resources to unit leaders, parents, and units to deliver a quality Scouting experience for all Scouts
- Offering the latest resources and connections for Scout Leaders to have the opportunity to be continuously educated and trained.

Our goal is to provide **all** individuals with opportunities to participate in a positive, all-inclusive program offered by the Boy Scouts of America to the best of their abilities.
