

IYRS

SCHOOL OF TECHNOLOGY & TRADES

\$2,000 MINIMUM SCHOLARSHIP FOR EAGLE SCOUTS

Year after year, Eagle Scouts seek out IYRS for their post-secondary education. They come with a passion for the outdoors and making things by hand, a strong work ethic, and experience both as leaders and team members. They find IYRS to be a perfect fit where they learn the art and science of building, restoring, and maintaining through 5 hands-on, ACCSC-accredited programs:

- ◇ **Boatbuilding & Restoration**
- ◇ **Composites Technology**
- ◇ **Digital Modeling & Fabrication**
- ◇ **Marine Systems**
- ◇ **Combined Program in Composites Technology & Marine Systems**

As a premier experiential learning school in the US, more than 600 companies seek out our graduates for employment and approximately 90% of our students have a job in their field at graduation each year.

If you achieved Eagle rank within the last five years, you are eligible for a minimum scholarship of \$2,000. **Learn more about IYRS at www.iyrs.edu.**
